

Make Your Own Cotton Ball Sheep

This is a fun and simple craft you can with your kids!

What you need:

- Sheep template (on the next page)
- Cotton balls (around 10-12)
- Glue
- Scissors
- Coloring utensils (Colored pencils, crayons or markers)

What to do:

1. Print out the sheep template below.
2. Color the face and the legs of the sheep. Be creative!
3. Cut out the sheep using a scissors and the help of a grown-up if needed.
4. Now it's time to add the wool! You can arrange the "wool" on your sheep by pulling apart cotton balls and filling in the body.
5. Glue the cotton down. You only need to use a small amount of glue.
6. Let the glue dry. You are all done!
