

Sketching Scavenger Hunt

This activity is a twist on a normal scavenger hunt. It will allow you to spend some time outside to pause and reflect on what's around you.

When you find an object, animal or plant in the grid, sketch a picture of what you see. See if you can complete the grid!

Acorn	Fallen leaf	An insect	Small stick
Pinecone	Empty bird's nest	Squirrel	Tree stump
Vines	Pine needles	Bird flying	Tree bark
