

## Make a Poinsettia Ornament

Follow these easy instructions to make a poinsettia ornament with materials found around your home!

### What you need:

- Toilet paper tube
- Paint (red or another fun color)
- Paintbrush
- Ruler
- Pencil
- Scissors
- Glue
- Glitter (to match your paint)
- Rhinestones or beads (optional)
- Hole Punch
- String or Ribbon

### What to do:

1. Paint the inside and outside of your tube- let dry
2. Flatten the tube and cut 5 strips  $\frac{3}{4}$ " wide
3. Shape each ring into a 'petal' shape by squeezing one end into a point and pushing toward the middle to round the middle of the 'petal'
4. Pour some glue and glitter on separate plates- dip the cut edge of each 'petal' in the glue, then dip into the glitter, giving you a sparkly edge.
5. Glue each petal together to create your plant. Glue optional rhinestones or beads to center.
6. Punch holes in the top petal and string your ribbon through. Hang your ornament for everyone to enjoy. You're all done!
