

Make a Sunbittern Fan!

Follow these easy instructions to make a Sunbittern craft with materials found around your home!

What you need:

Scissors

Paper

5 craft or popsicle sticks

Glue

Metal Brad Fastener (or string)

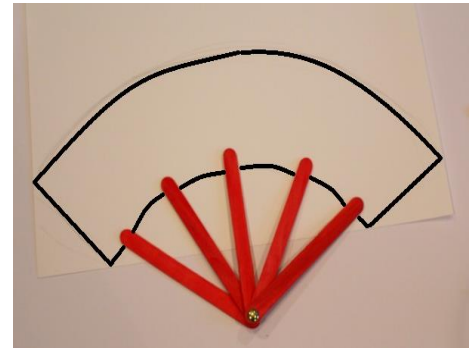

Markers, Crayons, or Paint

Heavy Duty Hole Punch, Drill, or Hammer and Nail

What to do:

1. Make a hole in the bottom of your craft sticks either by drilling, hammering, or using a hole punch. Make sure the holes line up with each other.
2. Fasten the sticks together with your Metal Brad fastener, or tie together with ribbon or string.
3. Open your sticks into a fan shape and place on your paper. Draw your fan shape. Cut it out.
4. Decorate your paper to look like a Sunbittern Wing!
5. Glue your craft sticks to the back of your decorated paper.
6. Carefully accordion fold your paper as you close your fan.
7. You can now open and close your fan just like a Sunbittern Wing!
