

Leaf Art

With snow melt, fallen leaves can be collected and used to show your creative side!

What you need:

- Fallen leaves
- Glue
- Paper
- Flat workspace

What to do:

1. Venture outside and collect some fallen leaves. Look for leaves of different shapes, colors and sizes.
2. Come back inside and set up your workspace. Lay down a sheet of paper.
3. Before gluing, arrange your leaves in different shapes and patterns.
4. When you come up with a pattern you like, you can start to glue the leaves down! (Hint: You do not need a lot of glue to keep the leaves in place)
5. You're all done! Find a place to display your leaf art.
